AAFCO OFFICIAL PUBLICATION

The official publication of the Association of American Feed Control Officials is an essential reference manual for anyone involved in the feed industry, including pet food. Industry, consumer and government personnel will benefit from the use of this manual. The manual contains up-to-date information on the following:

- Model laws and regulations for commercial feed, pet food and recycled animal waste
- Feed control contact person in each state, Canada and Costa Rica, including address, phone and FAX number
- FDA, USDA, EPA and industry contact personnel
- Approved feed ingredients and their definitions
- Regulatory requirements for distributing feed products in each state
- Medicated feed labeling guide
- Enzyme Marketing Coordination Document
- Analytical methods and analytical variations
- AAFCO committee members, including industry advisors
- Proceedings of the most recent AAFCO annual meeting
- Statements of AAFCO interpretation and policy
- Canine and Feline nutrient profiles and protocols
- New feed labeling format for nutritional indicators
- Forms used for tonnage reporting, pet food affidavits and medicated feed mill inspections

Feel free to forward a copy of the invoice for the Official Publication to anyone who you think would be interested in purchasing a copy.
