Canned Pet food special sample

Watch your email boxes in the next couple of weeks. A participation survey and sampling guideline document are coming your way. International participants- please note that there can be additional difficulties with customs scrutinizing or detaining canned pet foods. AAFCO cannot guarantee receipt of this sample by International labs.

Data Reporting

When reporting Vitamin E data, please report your data assuming that the claim is for DL- α -Tocopherol acetate (synthetic) rather than mixed Tocopherols.
