

Date:

Scheme: Pet Food	Round: 201643
Month: September 2016	Matrix: Cheese Powder

Dear AAFCO PT Program Participants,

Thank you for your continued participation in the AAFCO Proficiency Testing Program. The final reports have been reviewed and authorized for release. The included reports are:

- Analyte Proficiency Testing Report
- Method Proficiency Testing Report
- Analyte Summary Report
- Method Performance & Summary Report
- Individual Participant's Methods & Analytes Score Cards

This PT Round was prepared, shipped, reported by participants, evaluated by statistical treatment for assigned consensus mean, robust standard deviation, and % Threshold RSD, graded (z-scores) and final reports issued in compliance with the AAFCO PT Program protocols.

Any concerns or errors should immediately be communicated to [pt@aafco.org](mailto:pt@aafco.org). A timely investigation will occur in accordance with the AAFCO PTP Quality Management System. You will be advised of the outcome.

Errors made by the participant in data entry cannot be changed after the reporting deadline and such errors are not grounds for appeal.

Sincerely,

Brenda Snodgrass  
Program Manager/Committee Chair  
AAFCO Proficiency Testing Program
