Scheme: MYCOTOXIN CONTAMINANTS	Round: 201861
Month: JANUARY 2018	Matrix: EQUINE FEED

Dear AAFCO PT Program Participants,

ACCREDITATION UPDATE: The AAFCO Mycotoxin Contaminants Scheme is now accredited to ISO 17043. The updated scope is available on the Information Tab of the AAFCO Data Reporting Website (DRW) and on the ANAB website here: http://search.anab.org/public/organization_files/AAFCO-Proficiency-Testing-Program-Cert-and-Scope-File-02-14-2018_1518643170.pdf

Thank you for your continued participation in the AAFCO Proficiency Testing Program. The final reports have been reviewed and authorized for release. The included reports are:

Mycotoxin Proficiency Testing Report
Mycotoxin Proficiency Testing Report by Method
Individual Participant's Methods & Analytes Report Cards

The reports shall not be reproduced except in full, without written approval of the AAFCO PT Program. The data and results reported in this document are the property of the participating laboratories and are confidential.

This PT Round was prepared, shipped, reported by participants, evaluated by statistical treatment for assigned consensus mean, robust standard deviation, and % Threshold RSD, graded (z-scores) and final reports issued. Any concerns or errors should immediately be communicated to pt@aafco.org. A timely investigation will occur in accordance with the AAFCO PTP Quality Management System. You will be advised of the outcome. Errors made by the participant in data entry cannot be changed after the reporting deadline and such errors are not grounds for appeal.

Sincerely,

Brenda Snodgrass
Program Manager/Committee Chair
