Workgroup Updates

Model Training Plan – George Ferguson, NC
Training Calendar – Jeff Scallan, LA
Learning Management System – George Ferguson, NC

OTED Training Updates – Deirdra Holloway, OTED

Update from FDA Office of Training and Education Development on available trainings for FSMA – cGMPs, Preventive Controls, and all necessary prerequisites. Updates on any additional trainings available through Pathlore.

AAFCO or State Developed Trainings

Are there state specific training needs? Courses outside of those required by FDA contract or AFRPS requirements? Do we need an AAFCO training needs survey of membership?

BITS & AITS Update – Miriam Johnson, NC

Update on Basic Inspector Training Seminar and Advanced Inspector Training Seminar from Inspection and Sampling Committee. Discussion of request to make BITS and AITS training materials more available to the membership.
