****All meeting registrations will include a FREE two-week subscription to the Online Official Publication, AAFCO Feed BIN, and the New Online Database of Ingredients (ODI). The two-week trial will begin the week before the conference and the week of the conference. The OP online version is a secured, read-only document which cannot be downloaded or printed. The online OP is updated after each membership meeting (January and August), and has easy-to-use search capabilities.**

No thanks, I don't want the free trial online OP access.

Meet ODI! New in 2019!

Online Database of Ingredients (ODI) delivers focused OP Chapter 6 ingredient definitions search results for a single ingredient or an entire ingredient statement. Results are displayed on your laptop, tablet or smart phone with links to the complete definition text in the online OP or the electronic Code of Federal Regulations (CFR). As a Subscriber, you populate your unique User List with your common or usual ingredients. The ODI tool is only available with an Online OP subscription.

What to expect after submitting your payment

You will receive by email a user name and password that you will use on all your devices (laptop, tablet, smart phone, etc.). Access the Knowledge Vault app available from your app store in order to view the OP or ODI on your smart phone. Due to copyright restrictions, please do not share usernames with others. With your paid annual subscription, your username will allow access to the AAFCO OP, ODI, and Feed Basic Information Network (BIN) for 365 days from the date of purchase. The Feed BIN Library contains the AAFCO OP and other reference documents. The BIN also has news, calendar events, committee information, team communications and more!

Join our community of OP and BIN users now!

If you wish to purchase an annual subscription to the 2019 Online Official Publication with ODI after (or before) the free two week trial, you can purchase it through AAFCO's website at <http://www.aafco.org/Publications>.
