1) Role call of Committee members (5 min)

(Please let the chair know prior to the meeting if you'd like on or off the committee. Non-participation affects our ability to form a quorum to conduct business.)

2) Editorial Addition to Table 90.25 to add **Vitamin** common names– Tom(10 min)

3) 54.33 and 54.34 Editorial Addition of note on **Colostrum** Products. – Kent (5 min) **Proposed wording of footnote:**

*** A product labeled for treating “failure of passive transfer (FPT)” in newborn calves is not a feed ingredient but a USDA veterinarian biologic, legally distributed under a US veterinary license or permit pursuant to 9CFR 113.499. Product labeling for the treatment of FPT must include the US veterinary license or permit number and product code per 9CFR 112.2. Labeling guidelines for the colostrum veterinarian biologic product can be found in USDA Veterinary Services Memorandum No. 800.54.*

4) Editorial change to a 36.14 Direct Fed Microbial list -maggie (5 min)

5) Move Tentative Definitions to Official (placeholder, no recommendations in hand yet)(25 min)
