Meeting Access:
The Full Access Registration includes the live webcast of this committee meeting. Registrants will receive their username and password along with instructions to access and use the portal 4 to 5 days in advance of August 5. Slido will be used for questions from registrants.

Complimentary live Audio Listen-Only Access (no webcast access) will be available. Instructions to access this complimentary access will be available on the AAFCO website. No access to chat or Slido will be available for listeners selecting this option. Committee members and advisors will have live microphones. Chat will be used for voting by committee members.

Committee members—please log on 15 minutes prior to each session so the vice-chair can determine quorum and we can do audio checks.

Documents supporting the agenda are posted in the BIN Library / Ingredient Definitions / Investigator Recommendations -or- contact the person listed on the agenda with questions. There are links embedded in the agenda to most of the documents. Log into the BIN first and then open the agenda for best retrieval.

8/6/20  Session 1  (105 minutes)

1) Edits on page 350 – Richard Ten Eyck (5 min)

on page 350 of the 2020 OP rev 1 Edit the paragraph:

Official Common or Usual Names and Definitions of Feed Ingredients

As Established By The Association Of American Feed Control Officials

The bold print name and international feed name (IFN) are both acceptable as ingredient names, unless designated otherwise in the definition.

Occasionally an item may be suggested as an ingredient in a mixed feed that is not listed in this publication. When this happens, the appropriate investigator should be contacted to develop an ingredient definition, a term developed, and the
product defined. Some ingredients, e.g. sugar, are so common there is no need to define them.
