ISO/TC 34 SC17 Resolution No. 131

- Establishment of ISO TC 34/SC 17/WG 9 'Feed Production' and nomination of Convenor
- Based on the positive result of the proposal for new work on an ISO/TS for Feed production (N322), the ISO/TC 34 SC17 secretariat kindly proposes to establish a new working group ISO TC 34/SC 17/WG 9
- Mr. Finn V. Poulsen will be the convenor

ISO/TC 34 SC17/WG 9

- The task of the working group is to develop ISO/TS 22002-6 Prerequisite programmes on food safety -- Part 6: Feed production.
- Voting on the resolution to be completed by 2014-07-23

Next Steps

- First meeting of the Working Group to be held in Copenhagen September 16-18, 2014

Canada
