

Feed and Feed Ingredient Manufacturing Committee Agenda

**Wednesday, August 4, 2021
2:00pm-2:45pm (EDT)**

Meeting access:

Full access registration includes the live webcast of this committee meeting. The virtual service provider for this meeting is the same provider AAFCO worked with in January for the 2021 AAFCO Midyear Meeting.

July 26: full access registrants receive their username and password along with a video offering instruction on how to access and use the portal. Because of the updates to the platform, we recommend you watch this video to be sure you maximize your experience.

Lost your access codes or need other technical support for the video platform?

Email support@performedia.com. any time you need assistance—even during or after our meeting.

Full access registrants may use these buttons during our meeting:

- Join Live Sessions
- Chat – make an inquiry which is visible to all meeting attendees
- Ask a Question – make an inquiry privately, and automatically send an email to AAFCO representatives
- Schedule – single page agenda-at-a-glance for the full meeting (all days)
- Speakers – pictures and brief biographies of the panelists and the keynote speakers
- Resources – agenda book will be available to download here along with other helpful resources
- Button to launch a PDF of committee members and advisers in the meeting (nonparticipating committee members or advisers will not be noted, and late arrivals may not be on the list)

The chat feature will be available to everyone with full access registration and is one option for questions during committee meetings. Chat is not planned to be used for voting at this meeting.

At the direction of the committee chair, verbal comments may be made during committee meetings. Instructions for joining a queue to voice a comment during a committee meeting will be provided in the platform after you log in with your username and password.

Complimentary live-audio listen-only access (no video webcast access) will be available. The connection to access this complimentary feature will be available via a button on the video platform. No access to the webcast features and benefits available under the full access registration will be available for listeners selecting this option. If you decide you need to upgrade to full access registration, you are invited to do so at any time during our meeting through the Meetings page on our [website](#).

Committee members—please log on 45 minutes prior to each session to allow the vice chair to determine quorum and to do audio checks.

Purpose Statement

Working cooperatively with the Food and Drug Administration, Canadian Food Inspection Agency, feed and feed ingredient manufacturers and other relevant domestic and international stakeholders, develop science- and risk-based regulations. Such regulations would support the implementation of effective inspection and compliance strategies as well as be useful in providing education and information to stakeholders. The overall goal is to minimize the presence of chemical, microbiological and physical hazards in animal feeds to the levels necessary to protect human and animal health.

Agenda

1.) Welcome and Committee Member Introduction (Eric Brady & Austin Therrell)

2.) Review Action Items/Reports from Working Groups and Liaisons

Working Group 4 – Inspector Training for Ingredient Manufacturing Inspections – Brady

Mineral Guidelines Working Group - Therrell

Ingredient Verification Tool – Therrell

3.) BOD Charge: Establish Guidelines for Potential Animal Food Hazards or Contaminants - Therrell

- Identify commercial feed nutrients that if included in amounts in excess of the normal use level could be considered a hazard or adulterant in commercial feed products, and compile information related to the identified potential hazard in a universally accessible location for other feed control officials and industry.
