With a background in molecular biology and algal metabolism, Dr. Traller provides technical expertise in Global Algae R&D projects and manages the contracts and grants for Federal awards. She has a BS in Molecular Biology, a MS in Oceanography, and a PhD in Marine Biology from UC San Diego Scripps Institution of Oceanography. Dr. Traller is an active member of the Algae Biomass Organization serving as a committee member of the Algae for Food and Feed Initiative. Dr. Traller also serves on the board for The Algae Foundation, a non-profit 501(c)3 focused on algae related STEM education and public outreach.

## Announcements

- A. Next Meetings: Virtual March/April (?) 2023
- B. New Investigators Needed:
- Marine Products
  - Amino Acids
  - Enzymes
  - Fermentation Products
  - DFM
  - Technical Additives
  - Special Purpose Products
  - Preservatives
- C. **Stale Ingredients:** The following are being removed from consideration as definition requests. Please submit a new request if still desired.
- Faba beans- Pulse Ingredients
- D. Parking Lot topics:
- Complete gluten review. Dan King
  - ICG workgroup report – not met since June 2021 -
  - NANP Subcommittee report –have not met -Ashley Shaw /KC/AI
  - FROM PFC (draft): *Vitamin common names for pet food should be addressed by IDC independent of the PFLM project. Information from the qualitative consumer research should be provided to the IDC. Work of the IDC common vitamin name workgroup should be quantitatively consumer panel tested preferably at the same time as the PFLM changes. **NEED UPDATE, Review?***
  - Pursue formal MSBC Definition. **Nothing in motion**
  - Fluorine levels in model bill. Tom Phillips (lab) and Jennifer Kormos (IDC) and FIFM (Ken Bowers) form a workgroup to look at impact of testing and definitions parse out questions for the appropriate committees concerning Flourine vs fluoride.  
*(975.08 AOAC method for fluorine. There are challenges in the methods in animal food and lab capacity. Do we need to send a methods request to LMC? Should Fluorine (gas) be changed to Floride in the feed law? (Stan) IDC should look at mineral definitions that have fluorine specifications. May also be in CFR definitions) **Workgroup formed?***
  - New feed term *Total Ration*. **Ali Kashani**
  - Proper use of process terms. **Ali Kashani and WG to present at spring virtual meeting?**
  - Use of definition request tracking sheet
  - Next IDC speaker/presenter? Suggestions for topics

(10 minutes)

END SESSION TWO
