

Model Bills and Regulations Committee August 27 – September 9, 2015 e-Meeting

Committee Recommendation:

The Model Bills and Regulations Committee (MBRC) recommends that revisions proposed by the Feed Labeling Committee to the AAFCO Swine Nutrient Profile, as indicated in Attachment A, conforms to the Model Regulations and that the AAFCO Board of Directors review the proposal for future consideration of the Association membership.

Board Recommendations:

Association Actions:

Committee Report and Minutes (August 27, 2015):

Model Bills and Regulations Committee Chairman Doug Lueders called the e-meeting to order at 7:13 a.m. on August 27, 2015. He asked committee members and industry advisers to review the new business item first presented at the August 4th MBRC meeting in Denver. At issue is the Swine Nutrient Profile as revised by a panel of swine nutrition experts and approved by the Feed Labeling Committee.

On August 27, 2015 Tim Darden made a motion to recommend that the revised Swine Nutrient Profile as presented conforms to the Model Regulations and that the AAFCO Board of Directors review the proposal for future consideration of the Association membership. It was seconded by Ken Bowers. Chairman Lueders called for discussion.

On September 9, 2015 Chairman Lueders called for a vote. This e-vote required six (6) aye votes to pass. Aye votes were cast by Paul Bachman, John Breitsman, April Hunt, Tim Darden, Bill Burkholder and Ken Bowers. The motion was announced as passed and the e-meeting adjourned at 9:43 a.m. CDT, September 9, 2015.

On behalf of the Model Bills and Regulations Committee, I respectfully submit this supplemental report and request acceptance by the AAFCO Board of Directors and the Association Membership.
