Administrative

Consensus summary reports and Chair Comments documents for current samples and all the 2006 samples are now available for down-load from the AAFCO website. From the AAFCO home page (www.aaftco.org) select "News and Information – Check Sample Program – Check Sample Summary Reports" to go directly to this page. The reports can also be accessed using a link at the bottom of the Check Sample Program page. Summary reports from 2005 and earlier may still be requested directly from the Chair by email.
