Dear AAFCO PT Program Participants,

Thank you for your continued participation in the AAFCO Proficiency Testing Program. The final reports have been reviewed and authorized for release. The included reports are:

Analyte Proficiency Testing Report  
Method Proficiency Testing Report  
Analyte Summary Report  
Method Performance & Summary Report  
Individual Participant's Methods & Analytes Report Cards

The reports shall not be reproduced except in full, without written approval of the AAFCO PT Program. The full set of reports includes this Report Authorization Letter. The data and results reported in this document are the property of the participating laboratories and are confidential.

This PT Round was prepared, shipped, reported by participants, evaluated by statistical treatment for assigned consensus mean, robust standard deviation, and % Threshold RSD, graded (z-scores) and final reports issued. Any concerns or errors should immediately be communicated to [pt@aafco.org](mailto:pt@aafco.org). A timely investigation will occur in accordance with the AAFCO PTP Quality Management System. You will be advised of the outcome. Errors made by the participant in data entry cannot be changed after the reporting deadline and such errors are not grounds for appeal.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Snodgrass".
